RE: FY 2014 Population Determination

Dear Mr. Meier:

The Division of Community and Regional Affairs (DCRA) reviewed the Head Count Census documentation for the Community of Elfin Cove as received on May 13, 2013. This census documented that the 2012 population count for Elfin Cove to be 39 based on the census you conducted between May 1 and 10, 2013.

We also consider information submitted by the State Demographer. This estimate provide by the State Demographer made certain assumptions because the area of Elfin Cove claimed by the non-profit encompasses all or part of several different census areas.

Based upon the information provided by the State Demographer as well as the Head Count Census submitted, I have made the determination that the July 2012 population of the unincorporated community of Elfin Cove is 39. Consequently, a population figure of 39 will be used for Elfin Cove by the Department of Commerce, Community, and Economic Development in FY 2014 financial assistance programs.

Should you have any questions, please contact Manjula Boyina, Local Government Specialist IV, at (907) 269-7959.

Sincerely,
